Lacked Endurance and High School Won 26-0-Forward Pass Worked Well but

Once-Adams Kicked Two Goals. Football of various kinds was played at Island park Saturday afternoon, when the high school team lined up against a team composed of players from this town who had not donned suits in a regular contest in several years. The high school team walked away with a 25-6 victory and only once or twice did the town team remotely approach striking distance of the enemy's goal line. Although the score was one-sided the game was interesting from the spectators' point of

The high school kicked to the town team and the latter being heavier, made gains, but after a few rushes they were puffing and their quarterback, Randall, who had been doing much of the work, hardly could give the signals. The town team lost the ball on the fourth down. team lost the ball on the fourth down. With a series of open plays the high school carried it toward the goal. Angler made a pretty 40-yard run for a touchdown, and dodged several men. Adams failed in his try for a goal.

In the second period the ball was in the high school's possession about midway of the field. Crosby received a performance pass and went over

way of the field. Crosby received a perfect try for a forward pass and went over for another touchdown. Adams kleked the goal. In the third and fourth periods not a point was made on either side. In the fourth the high school carried the ball to within a few yards of the goal line and Haskell carried it over for a touchdown. A few minutes later Angier went almost the length of the field with the pigskin for a touchdown which was went almost the length of the field with the pigskin for a touchdown which was not allowed, as it was claimed that "Pete" Rice, who was interfering for the runner, tripped Blake as he was about to tackle Angier. The last score was made by Wheeler, who went over the line after the ball was rushed to within 10 yards of the town team's bulwarks. Adams kicked the goal. After this score the town team received the ball and for the first time made appreciable gains. backs stood well back of the line and with Barber and Garrity ripping holes through the lighter high school line they obtained a good start and rushed through the high school for several plays. When they were within 10 yards of the goal they were penalized 15 yards and with only a few minutes to play could not cover the dis-

Although the old-timers were decisively rimmed they were game, and the entire crew did well. In the third period De-laney was put out of the game when a high school boy's head came in contact with his stomach. Garrity took his place

and played like a demon.

In the third period Peach took Randall's place at quarterback and after Peach was hurt Randall came back, but again was replaced by Peach. The town team was weak on signals. The high school tried the forward peach was only three times and it the forward pass only three times and it worked well but once. The summary:

NOW FOR STATE CHAMPIONSHIP.

Brattleboro High and Montpeller High Will Meet on Island Park Gridiron Next Wednesday at 3 o'clock.

A game for the interscholastic football championship of the state will be played on the Island park grounds next Wed-nesday afternoon between the Brattleboro high school and the Montpeller high school teams. Montpeller has been winning all its games against the teams in the northern part of the state and last week strengthened its claim by defeating the strong Middlebury high school aggregation, 2-6. Brattleboro has not lost a game to a Vermont team, and played a close game with the Greenfield team which won the championship of the Connecticut valley

Last season Bellows Falls won the title by defeating its opponents in this section of the state and by taking a game from the Goddard seminary team. This year the Bellows Falls team has not been playing particularly good football and according to a letter o Manager Sherman of the local team has disbanded. This necessitates that the game scheduled between Brattleboro high and Bellows Falls high for tomorrow afternoon be cancelled, which leaves home team without a regular game tomorrow afternoon. Brattleboro defeated Vermont academy 26-16 and Vermont academy trimmed Bellows Falls

The contest next Wednesday afternoon should be a good drawing card. It will begin at 3 o'clock.

The University of Vermont sophomores beat the freshmen 22-0 in the annual interclass football game Saturday. The sophomores were outweighed, were successful through the use forward pass and the of the backfield. The halfbacks who played a star game were Mayforth and Maiden, both of whom played on the Brattleboro baseball team last season.

Narrow Escapes from Bullets.

No accidents have been reported during the deer hunting season, but two reliable citizens have told of narrow escapes. One man was coming out of a woodlot and as he came through the brush into the open he was somewhat surprised to see a hunter standing with gun raised and aimed in the direction where he had heard the brush crack.
Another hunter sat down to watch for a deer, when a builet whizzed past him, causing him instinctively to duck his head. Whether these are narrow escapes those who read must judge for
